

PRIORITY SURVEY ~

February 2016

SAINT BERNADETTE CATHOLIC CHURCH & SCHOOL

The goal of this survey is to identify Priorities for our Master Planning process.

Please provide your personal recommendation in response to each question, and return to the Parish **by March 23rd.**

Please note your relationship to the Church and School Community:

- Member of the Parish Community.
- Member of the School Community.
- Member of both the Parish and School Community.
- Non-member / Occasional Attendance.

THE BIG PICTURE

- Our community should think big, and plan for the next 40-50 years. Agree Disagree
- We should improve the church interior to be more noble, more worthy, for future generations. Agree Disagree
- The current gym has outlived its useful life, and should be replaced. Agree Disagree
- The school needs an adequate space for performances, events, and athletics. Agree Disagree
- We need a parish hall on street level connected to the church. Agree Disagree
- The parish office building (original rectory) has outlived its useful life, and should be replaced. Agree Disagree
